## NEWS BRIEFS

## NEWS LETTER JANUARY TO APRIL 2012 WANA WA MOLA MISSION

### 2011 THE YEAR THAT WAS....

For those of you who knew our past location at Serena, I just hope you didn't bounce because 2012 for us came with a fundamental change requiring our change of location! Find us now in Nyali, behind Solomon's' Gate for House of Jesus, Bamburi Mwembelegeza , House of Talent and Leisure basketball, Pure Aroma Music & Movie Creations.

2011 was indeed a great year, characterized by an accelerated growth rate personally and as a ministry. Personally, my marital status changed, my masters came along way, our experience was not just expanded but also expounded as we dealt with different kind of challenges, and celebrated all the joyous moments of the year. In Wana Wa Mola, we have seen grace falling like rain!

It's amazing to realize how God took care of everything we and the children ever needed, ranging from food, clothing, health etc. Every huddle including the one involving our forceful relocation from our former location simply worked for our good. We saw God bring people around us to stand with us. Many people got to know about our work and also helped practically in subsidizing our budget especially with clothing. We found it hard to relocate, but we are grateful for the new locations even more; they are easily accessible to the city centre, very much cost effective and friendly land lords. This is our true reward from God! A lot of things we achieved in our past work plan including visiting of relatives connected with our children, inviting parents to come see the new brand kids, registration of the ministry, success in enabling a group of 13 boys settling in Wana Wa Mola without desiring the street, academic excellence, behavior change, creating a one year program for seven boys of the Survivors' Den to live in The House Of Talent, our website, and so on.

### 2012

Beyond the milestone, we are faced with a new year. Yes, the list seem endless of our hopes to accomplish, we are glad that a lot has already happened. Our team from USA made a successful tour of the program, their encouraging words have strengthened us in the work we are doing in ushering the reign of God in many lives here in Mombasa.

All together under the tree in front of the (new) house

We are also doing better as far as staffing and structuring is concerned. We have quit a number of people showing interest to volunteer with us. This has subsidized the limited number we are able to hire. The biggest success this year is our successful completing our New Testament reading. For 14 months, all Wana Wa Mola's gathered every morning except Sunday to fellowship and read the scriptures book by book till revelations. We do not pride in this, but we are very pleased to know that all our kids except 3 are now born again. This morning mentoring session has become the secret that shine Wana Wa Mola. "We can touch" transformation from all our children and also mentors; we are never the same again.

### ACADEMIC EXCELENCE AND WANA WA MOLA HOME SCHOOL

As already said, our boys are indeed beginning to shine academically. We have concentrated a lot of filling the academic gaps by carrying our learning gaps assessment and bridging them with homeschooling.

♪ We are very thankful that we were able to make a trip to Israel where we saw with our own eyes where Jesus was born, grew up and did his ministry with his disciples.

♪ We received a gift of many children clothes from a church in Mombasa Town. This will serve even our Survivors Den in the streets.

♪ Julius who is our class 8 Candidate will be doing his final exam in the coming months and his currently the head boy of the entire school!

♪ Jesus is truly coming back, repent!!

### INTERNSHIPS AND SECONDARY SCHOOL FOR HOUSE OF TALENT-BOYS

In our one year program with The Survivors' Den -boys at The House Of Talent, we have successfully connected two boys to a restaurant for 3 months apprenticeship, one boy graduated through Pure Aroma Music and Movie Creations by enabling him record music and a little budget to start him up, three other boys got secondary support through another organization. Possibly to us the challenge is, now that the one year is elapsing and knowing certainly that we started that house by faith, how do we ensure that they will graduate to good hands or be able to move on with sustaining themselves with the little we have been able to provide while with the programme. Pray with us.

### PURE AROMA MUSIC & MOVIE CREATIONS (PAM CREATIONS)

**2 Cor. 2: 15-17** For we are to God the Aroma of Christ among those who are being saved and those who are perishing. <sup>16</sup>To the one we are the smell of death; to the other, the fragrance of life. And who is equal to such a task? <sup>17</sup>Unlike so many, we do not peddle the word of God for profit. On the contrary, in Christ we speak before God with sincerity, like men sent from God.

We thank you for your contribution and support for this mission. May God bless you in your work, ministry and family.

In Christ's service,

**2 Thess. 2:16,17** May our Lord Jesus Christ himself and God our Father, who loved us and by his grace gave us eternal encouragement and good hope, <sup>17</sup> encourage your hearts and strengthen you in every good deed and word.
